The Cuyahoga County Regionalized Training Program for Public Employees

Cuyahoga County Executive Ed FitzGerald's Human Resources Department is pleased to introduce the County's Regionalized Training Program for public employees.

"Providing HR expertise to neighboring communities is one step in promoting regional services throughout our County."

Ed FitzGerald

Our all Inclusive "Public Employee Track" assists all public employees, from part-time, seasonal staff to the Chief Executive, as they develop and improve their service to taxpayers and coworkers alike.

Courses include:

- Customer Service as Public Service
- Dealing with Difficult People and Conflict Management
- The Diverse Workforce
- Improving Communications Skills
- Workplace Harassment

Our "Leader, Manager and Supervisor Track" develops and refreshes your leaders' team building and planning skills with a focus on today and a vision for your organization's long term success.

Courses include:

- Change Management and Succession Planning
- Coaching for Improved Performance
- Motivating the Public Servant
